Term 3 Apr 24th- June 2nd

Webtext

Did you receive webtexts from the school recently? If not please contact the office with your correct number.

We wish to thank all those parents who actively supported the school since September and remind you of the importance of your continued support. Thank you to parents who have paid the registration/photocopying and subject contributions. This is still outstanding for some students.

UNIFORM

As students attend school during the months of bad weather, please ensure that they wear the correct uniform jacket which is obligatory for all students and only the school scarf and plain black shoes are allowed. We ask that you co-operate with us on this matter. Please see that uniform is clearly marked with indelible ink. Students are not allowed to go to class if not in correct uniform.

EXAM FEES

Please note those sitting Junior Cert and Leaving Cert in 2017 will be expected to pay the fees by the beginning of February. These were €109/116 in 2016. Medical card holders must hold a valid card on February 1st 2017 to obtain a waiver of the fees.

If you have still to pay **Mock Exam fees** please pay €50 by Nov 25th. The final figure is due by January 27th 2017. There is no waiver for these fees.

Christmas Concert

We are delighted the Airport Police and Fire Services Band are once again joining our 6th years, the Chamber Choir and Special Guest for this lovely evening of
Carols, Music and Christmas Cheer
on December 13th.

Tickets available from the school. €5.

HEALTHY EATING/ LITTER

Please note pot noodles are not permitted for lunch. As well as not being a healthy lunch item, they are causing problems when spilt in canteen or disposed of down the drains.

Crisps & popcorn are also not permitted. Please supply your daughter with an alternative healthy lunch.

Best wishes to all our families for the coming Christmas season.

Yours sincerely,

Ms Rose Mary Lynch, Principal
